Ooo

Du, du, du, du, duu

Hm, hm, hmm

Hm, hm, mm, hmm

Dede, dap, du, dey

Peepin' through your window  
You spy me walkin' to your door  
Maybe you are havin' second thoughts  
Like you did before, boy

Mmm, there's no hesitation on my part  
I want all that I can get  
Boy, you're playin' with a naked flame  
And there's nothin' much you can do about it

Do it just the way you want it  
(Ooh, ooh)  
Do it just the way you feel  
(Hmm)  
Do it like you always like to do  
Do it like you always wanted to  
Ooo ooo

Hmm, mm

Baby, don't be foolish  
It's what you wanted all along  
Ooo and don't you try to fight it  
Because the force is far too strong

Do it just the way you want it  
(Ooo, hoo)  
Do it just the way you feel  
(Ooo)  
(Like you feel it, baby)  
Do it like you always like to do  
(Do)  
Do it like you always wanted to

(Do it just the way you want it)  
Do it just the way you want it

Do it just the way you feel  
(Hmm)  
Do it like you always like to do  
(Ooo)  
Do it like you always wanted to  
(Wanted to)

Hmm  
Mmm, mmm, mmm, mmm  
Ooo  
Ah, ah, ah  
Ooo  
Na, na, na, na, na, na  
Ooo  
Ah, ah, ah  
Ooo  
Na, na, na

Baby, can't you see what's missin'?

At this moment I would love to know  
What's goin' on inside your mind  
Actions speak a lot louder than words  
Don't worry, what you're doin' isn't a crime

Do it just the way you want it  
(Wa-wa-want it)  
Do it just the way you feel  
(Way you feel)  
Do it like you always like to do  
(Whoa, ho)  
Do it like you always wanted to  
(You always wanted to)

Do it just the way you want it  
(Ooo, de, de)  
(Baby, yeah)  
Do it just the way you feel  
(Just like you feel)  
Do it like you always like to do  
(You like to do, hoo)  
Do it like you always wanted to  
(Ooo)

(Ahh)  
Do it just the way you want it  
(Way)  
Do it just the way you feel  
(Was it good for you?)  
Do it like you always like to do  
(Hey, hee)

Do it like you always wanted to

(Ooo)

Do it just the way you want it

(Just the way)

Do it just the way you feel

Do it like you always like to do

(Just the way, just the way)

Do it like you always wanted to

(Like you wanted to)

Do it just the way you want it
