Sometimes I get the feeling  
I was back in the old days long ago  
When we were kids, when we were young  
Things seemed so perfect, you know

Days were endless, we were crazy, we were young  
Sun was always shinin', we just lived for fun  
Sometimes I feel like lately I just don't know  
Rest of my life seems just a show

Those were the days of our lives  
The bad things in life were so few  
Those days are all gone now but one thing is true  
When I look and I find, I still love you

You can't turn back the clock, you can't turn back the  
tide  
Ain't that a shame? Ain't that a shame?  
I'd like to go back one time on a roller coaster ride  
When life was just a game

No use in sitting thinkin' on what you did  
When you can lay back and enjoy it through your kids  
Sometimes it seems like lately, I just don't know  
Better sit back and go with the flow

'Cause these are the days of our lives  
They've flown in the swiftness of time  
Those days are all gone now but some things remain  
When I look, I find no change

Those were the days of our lives  
The bad things in life were so few  
Those days are all gone now but one thing's still true  
When I look and I find, I still love you

I still love you, I love you  
I still love you, love you  
I still love you, I still love you  
Still love you, ooh yeah
