We got it together darlin'
We're ready for it
You see I'm smilin'

We got the peope talkin'
They know how it feels
And it's no big deal

And we're not playin' games
And we're not playin' lovers
We mean a lot more than that

Hear what I'm sayin' boy
Let go and be my joy
I have to love you

You can't deny it, baby
We drive each other crazy
You can't deny it, baby
No two people ever felt this way

You can't deny it, baby
We drive each other crazy
You can't deny it, baby
We just got to let it out

Let it out, let it out
Let it out

The more we're with each other
It's so exciting
And it's getting stronger

The way you touch me darlin'
I've never been touched
Like that before

And we're not playin' games
And we're not playin' lovers
We mean a lot more than that

You're all I need my love

You're there to push me on
I have to love you

You can't deny it, baby
We drive each other crazy
You can't deny it, baby
No two people ever felt this way

You can't deny it, baby
We drive each other crazy
You can't deny it, baby
We just got to let it out

Let it out, let it out
Let it out, let it out
Let it out, baby

We can sure let it out
We can sure let it out
We can sure let it out
We can sure let it out

We got it together darlin'
We're ready for it
Can't you see I'm smilin'?

We've got the people talkin'
They know how it feels
And it's no big deal

We're not playin' games
And we're not playin' lovers
We mean a lot more than that

Hear what I'm sayin' boy
Let go and be my joy
I have to love

You can't deny it, baby
We drive each other crazy
You can't deny it, baby
No two people

You can't deny it, baby
I mean every word I'm sayin'
You can't deny it, baby
We just got to let it out

Let it out, let it out
Let it out, let it out
Let it out, let it out

Let it out

You can't deny it, baby

You can't deny it, baby

You can't deny it, baby
