I have a dream, a song to sing  
To help me cope with anything  
If you see the wonder of a fairy tale  
You can take the future even if you fail

I believe in angels  
Something good in everything I see  
I believe in angels  
When I know the time is right for me

I'll cross the stream  
I have a dream

I have a dream, a fantasy  
To help me through reality  
And my destination makes it worth the while  
Pushing through the darkness still another mile

I believe in angels  
Something good in everything I see  
I believe in angels  
When I know the time is right for me

I'll cross the stream  
I have a dream  
I'll cross the stream

I have a dream  
I'll cross the stream  
I have a dream
