Don't know how to take it  
Don't know where to go  
My resistance running low  
And every day the hold is getting tighter  
And it troubles me so

You know that I'm nobody's fool

I'm nobody's fool and yet it's clear to me  
I don't have a strategy  
It's just like taking candy from a baby  
And I think I must be

Under attack, I'm being taken  
About to crack defenses breaking  
Won't somebody please have a heart?  
Come and rescue me now 'cause I'm falling apart

Under attack, I'm taking cover  
They're on my track, three Dads, one lover  
Thinking nothing can stop them now  
Should I want to I'm not sure I would know how

This is getting crazy I should tell them so  
Really let my anger show  
I feel like I was trapped within a nightmare  
I've got nowhere to go

Still undecided I suppose

Yes, it's what I wanted but I'm scared as well  
Staring down the deepest well  
I hardly dare to think of what would happen  
Where I'd be if I fell

Under attack, I'm being taken  
About to crack defenses breaking  
Won't somebody please have a heart?  
Come and rescue me now 'cause I'm falling apart

Under attack, I'm taking cover  
They're on my track, there dads, one lover

Thinking nothing can stop them now  
Should I want to I'm not sure I would know how

You know that I'm nobody's fool

Under attack I'm being taken  
About to crack defenses breaking  
Won't somebody please have a heart?  
Come and rescue me now 'cause I'm falling apart

Under attack I'm taking cover  
They're on my track, there dads, one lover  
Thinking nothing can stop them now  
Should I want to I'm not sure I would know how
