The Vise you Send me,
Reaches deep inside, subliminally
Your words they gently whisper
Sweet nothings to me
Why don't you make your move
Set it off baby, me and you
All I wanna do is to get with you
Take you around the world the night through

(Do you want it right now)
(I can show you how) yeah
Follow me to a world where our
Hearts can run free
(Do you want it right now)
(I can show you how)

[CHORUS]

I need to know love will find a way
Tell me, do you want a piece of my

Goody goody
Goody goody
Lovin'
Do you want a piece of my
Goody goody
Goody goody
Lovin'
Do you want a piece of my
Goody goody
Goody goody
Lovin'
Do you want a piece of my
Goody goody
Goody goody
Lovin'

I've got your sexual healin'
If You put your trust in me
Get with this or your miss this
Silky and milky
Your heart is safe with me
I'll introduce you in ecstasy

My word is born
I'll never do you wrong
Take a chance,
Get it going on strong yeah

(Do you want it right now)
(I can show you how)
Believe you mean
All the lovin' that runs within me
(Do you want it right now)
(I can show you how)

Tell me, do you want a piece of my

Do you want a piece of my
Goody goody
Goody goody
Lovin'
Do you want a piece of my
Goody goody

Come and get it)
(Do you want it right now)
(I can show you how)
Believe you mean
All the lovin' that runs within me
(Do you want it right now)
(I can show you how)

I need to know love will find a way
Tell me, do you want a piece of my
