Ahmir:

I see you looking like you want something from me,

that you came for the ...

Lisha:

Think about you, cant get you, out of my mind, all the  
time,  
feeling lonley ever since i met you,  
so what am i gonna do, cause i'm so into you,  
day and night, wanna hold you tight, so please just turn  
of the light,  
push me from side to side, till i feel you doin it right,  
i need you, please do, everything i ask you to do.

Hook:

(Uh) your doin it good, doin it good .....

Touching me creates the heat, i need to live,  
when your kissing me, it goes so deep, give what you  
can give.  
but hold on, if you really want me, i cant be wrong,  
please just tell me,  
whats going on, cant you tell me.....

Hook:

(Uh) your doin it good, doin it good .....

Ahmir:

As soon as i walked into to door, caught your eyes,  
what the evenings gonna be, i can tell by your stair that  
your feeling me,  
ohoh, why dont we stop just playing around, your  
acting shy,

but you know your wanna get down, say soooooooooo
