Oh what a gray
And hopeless day
I've got a worried mind
The sun's behind
The clouds again

And so am I
I ask the sky
Tell me which way to go
How will I know to shine again

I've been here before
I've seen it all
I can't take no more
I mean it, I'll go

And this is the time
Time to change to my life
Yeah these are the times
Reaching up to find

A window out
Of doom and doubt
A remedy for agony
Oh hush that shout

I've been here before
I've seen it all
I can't take no more
I mean it, I'll go
You heard it all and more
Heart beatin' too hard
And these are the times
Time to change to my life
Yeah these are the times
Reaching up to find

Whoa - oh
I took the wrong way home...

I've been here before
I've seen it all

I can't take no more
I mean it, I'll go
What's this freedom for

And this is the time
Time to change my life
Yeah these are times
Reachin' up to find
I'm reachin' up to find
I'm reachin' up to find
I'm reaching out...
