I Don't Get It I don't get why you take such a big amount of what we Work so hard to fuckin' make I don't get why we can't do What we want to when it doesn't hurt you I don't get it I don't get why we can't smoke Just because you say it's bad What mother nature chose to grow I don't get it I don't why we should change What we said here to so We don't have to explain I don't get it I can't make sense of anything I can't make sense of anything I can't make friends with anyone I don't get anything at all It doesn't matter anymore
