Stuck to a chair
Watchin' this
Story about me
Everything goes by so fast
Making my head spin
Used up all of my friends
But who needs them
When you mean everything
I love the things that we should fear
I'm not afraid of being here
So much the same
It makes me helpless alone
Nothing to share
Why should I
Care if you're near me
Give up all of my plans
But who needs them
When you mean everything
I love the things that we should fear
I'm not afraid of being here
So much the same
It makes me helpless alone
You make me come
You make me complete
You make me completely miserable
I love the things that we should fear
I'm not afraid of being here
So much the same
It makes me helps alone
You make me come
You make me complete
You make me completely miserable
