Ive got a problem
Ive got a big one
Ive got my bloodshot eyes on u
Ive got the answer
Ive got the solutions
I want another shot and i want u

Oh no i should go
But it feels so good now

Ive gotta get to you [x3]

Ive got my vices
Know what the price is
It aint right but it's alright now
Ive got a problem
Lets keep it up til we both
Come back down

Oh yeah, i know it's so bad
But it feels so good now

Ive gotta get to you [x3]

Going to fast for a U-turn
Much too fast for a U-turn

Oh no i should go
But it feels so good now

Ive gotta get to you [x3]
