Do it, do it, do it, do it, do it, do it, do it now  
Say it, say it, say it, say it, say it, say it, say it now

Do it, do it, do it, do it, do it, do it, do it now  
Say it, say it, say it, say it, say it, say it, say it now

Do it, do it, do it, do it, do it, do it, do it now  
Say it, say it, say it, say it, say it, say it, say it now

Do it, do it, do it, do it, do it, do it, do it now  
Say it, say it, say it, say it, say it, say it, say it now

Started carving up the wall.  
Why don't you open up we'll talk?  
I am ready, I am ready for a fall.

Started carving up the wall.  
Why don't you open up we'll talk?  
We are ready, we are ready for the floor.

I can't hear your voice, do I have a choice?  
I'm hoping with chance, you might take this dance  
I can't hear your voice, do I have a choice?  
Your sinking below, I'm using my force.  
Your my number one guy.

Started carving up the wall.  
Why don't you open up we'll talk?  
I am ready, I am ready for a fall.
