I often sit and wonder  
Why you never seem to learn  
And as the tables turning  
It will be my turn  
And if you see me hurting  
You always seem to turn away  
And I wonder if you try to hold the truth  
I'm breathless from you  
Wherever we may go  
Ever we may go  
Where the river flows  
Oh heaven knows  
There's no turning back  
When you hold your head up high  
Hold your head up high  
Never question why  
There's no turning back  
Sometimes I hear you calling  
When I sit and close my eyes  
I feel the power burning  
It's burning me inside

And when I look before you

And I see what's left behind

And I wonder if you'll ever be the same

I'm breathless from you

Repeat Chorus
