So now we're all
Thrown on the streets of life
Like a trampoline
Like a movie scene
But now
Out in the real world
Someone's bound to lose
Are we free to choose?
You've got to be cruel to be kind
I think i'm losing my mind
I promised the world
Whatever it's worth
(Repeat)
And when the night falls

Paradise calls
(Repeat)
So now we're down
Under the sea of life
Like a submarine
On a silver screen
When light
Shines in the people's eyes
I can feel the beat
Taking all the heat
You've got to be a fool to be blind
Don't go wasting my time
Repeat Chorus...
