C'mon hey c'mon  
Let's stop messing around  
It's all about tonight  
It's all about right now  
We could go on  
Wonderin'  
If it's gonna turn out like we planned it would  
When we were young  
And all we knew  
Was what the hell it meant to live for the moment  
Man the time it goes by so fast  
C'mon hey c'mon  
Let's stop messing around  
It's all about tonight  
It's all about right now  
C'mon hey c'mon  
We gotta make this one count  
It's all about tonight  
It's all about right here and right now c'mon  
We sit around  
And laugh about  
The way we used to talk when we would dream out loud  
When we'd show em all  
And prove them wrong  
Believing every word in all our favorite songs  
What the hell is so different now  
C'mon hey c'mon  
Let's stop messin' around  
It's all about tonight  
It's all about right here and right now  
C'mon hey c'mon  
We gotta make this one count  
It's all about tonight  
It's all about right here and right now  
Tomorrow's not for sure  
So what are we waiting for  
C'mon hey c'mon  
Let's stop messin' around  
It's all about tonight  
It's all about right here and right now  
C'mon hey c'mon  
We gotta make this one count

It's all about tonight  
It's all about right here and right now  
C'mon hey c'mon  
Let's stop messin' around  
It's all about tonight  
It's all about right here and right now  
C'mon hey c'mon  
We gotta make this one count  
It's all about tonight  
It's all about right here and right now c'mon  
C'mon hey c'mon  
C'mon hey c'mon
