Look around, look around you answers  
(Someone tell me)  
Where can I, where can I find faith again  
(Can you help me?)

Iâ€™m running aimless just to  
Try to and find a place to belong  
I try explaining, but the words are  
Always coming out wrong  
Thereâ€™s so much more to myself than this

And itâ€™s so hard to find  
And itâ€™s so hard to find  
I know youâ€™re out there

Closer now, close than Iâ€™ve ever been  
(To being too far gone)  
Running out, running out of you again  
(Can you fuel me?)

Iâ€™m numb and painless

Just to keep me feeling nothing at all  
I try in vain but nothing seems  
To be working at all

And itâ€™s so hard to find  
It takes so long to get things right  
And itâ€™s so hard to find  
I know youâ€™re out there

Thereâ€™s so much more to myself than this  
I know thereâ€™s more to myself than this

And itâ€™s so hard to find  
And itâ€™s so hard to find  
So hard to find  
It takes so long to get things right  
And itâ€™s so hard to find  
I know youâ€™re out there  
I know youâ€™re out there  
Somewhere out there
