Sun comes up sun goes down  
This ol' world keeps spinnin' around  
Not much has changed since you been gone  
I miss you honey but life goes on

It's nice to see  
You still think about me  
But don't worry about my heart  
Thanks for the call  
Yeah I took a fall  
But I didn't fall apart

Sun comes up sun goes down  
This ol' world keeps spinnin' around  
Not much has changed since you been gone  
I miss you honey but life goes on

You say you can tell  
That I'm doin' well  
By the sound of my voice  
What'd you expect  
Baby when you left  
You left me no choice

Sun comes up sun goes down  
This ol' world keeps spinnin' around  
Not much has changed since you been gone  
I miss you honey but life goes on

Thanks to you  
Sayin' we're through  
I've gotten good at gettin' by  
I don't know when  
But I'll love again  
It's just a matter of time

Sun comes up sun goes down  
This ol' world keeps spinnin' around  
Not much has changed since you been gone  
I miss you honey but life goes on  
I miss you honey but life goes on

I miss you honey but life goes on
