I've been fallin' apart at the seams
But it's not as it seems
Broken pieces around at my feet
That I dance on
In my darkest day
In my darkest day I can find you
We've come all this way
And I'm still runnin' after it
Yeah

[CHORUS:]

I, I, live for this
I, I, I'd trade it for nothin'

I've been waiting for someone like you
To be waiting for me
This is more than I ever dreamed
And I dream on

I wish I could stay
I wish I could stay
Right beside you
We've come all this way
And I'm still lookin' after you

[CHORUS]

[guitar solo]

In my darkest day
In my darkest day
I can find you
We've come all this way
And I'm still runnin' after it
Yeah

[Solo: A Jay :] I, I, live for this I, I...

I'd trade it for nothin'

[CHORUS]
