Get on your mark, get set
Ready or not here I come
You've been looking for love
Well honey, I can give you some
When your world is standing still
I can turn it around
Put your head up in the clouds
And pick your feet off the ground
Chorus:
My love
Are you ready for my love, my love
My love, my love is ready for you.
If you're looking for a heart that's always true
Only to you, then my love
My love, my love is ready for you.
Girl, I've heard it said
that love is good for the soul
I see the hunger in your eyes
Burning out of control
My love is overflowing from a loving cup
Girl, I know you're down
but love will lift you up.
Chorus
My love is overflowing from a loving cup
Girl, I know your're down
But love will lift you up
Chorus
My love, my love is ready for you....
