"No Big Thing"

If you just want to be my friend
Why do you keep calling then?
It's better that I never see you
Will I ever see you again?

Well it's alright, my heart isn't broken
It's alright, I'm feeling no pain
It's alright, I'm not going crazy
It's alright, it's no big thing

If you just wanna be my friend
Why do you keep calling me then?
It's better that I never see you
Will I ever see you again?

Well it's alright, my car isn't broken
It's alright, I'm feeling no pain
It's alright, I'm not going crazy
It's alright, well it's no big thing
Yeah, yeah, yeah

Well it's alright, my heart isn't broken
It's alright, I'm feeling no pain
It's alright, I'm not going crazy
It's alright, well it's no big thing, no big thing
