I've been stealing

Time where I can get it from

And I've been losing

The grip on what I used to hold

(PRE-CHORUS)

If I could get another chance

I'd put it in a zip-lock bag

And keep it in my pocket

Keep it in my pocket, keep it in my pocket

(CHORUS)

Tell me, when I start to blow it would you

Show me, what I need to do before you

Hate me, I could never live with that so

Tell me, before you're better off without me

Before you're better off without me

I've been watching you

Sleeping with a troubled look

I'm sure your bad dreams

Are probably all about me, and better off without me

(PRE-CHORUS)

(CHORUS)

I've been losing

The grip on what I used to hold

I don't want you

To be better off without me

(PRE-CHORUS)

(CHORUS)
