hey
hey hey hey hey

vodka tonic, my car is in the front yard
i think i've been here before
tire tracks across my reputation
how they got there i'm not sure

hey tequila, so good to see you
till we till we lit up the bar
senorita, not that i don't need ya
you just push me way to far
way to far
way to far

1 2 3 more shots with my friends
try to say no but here we go again
4 5 sick of being sick about you
i think another rounds way overdue

ask me how it's going and i'll tell you what i think
same shit, different drink
same shit, different drink

it wasn't pretty, but here's a little ditty
about jack and diet
we shoulda known we were flirtin with disaster
but we had to try it

as if sex on the beach with that red headed slut at the
mandalay bay weren't enough
we got washington apples and little white chapels abd
tattoos of who knows what

and then we wake up

1 2 3 more shots with my friends
try to say no but here we go again
4 5 sick of being sick about you
i think another rounds way overdue

ask me how it's going and i'll tell you what i think

same shit, different drink
same shit, different drink
same shit, different drink
same shit, different drink
same shit hey!
hey hey hey
hey hey hey

1 2 3 more shots with my friends
try to say no but here we go again
4 5 sick of being sick about you
i think another rounds way overdue

ask me how it's going and i'll tell you what i think
same shit, different drink
same shit, different drink
