Gotta love for destruction
Gotta feel for danger tonight
Hey, Mr. Moonlight wontcha follow me down
I need the company
Everybody tells me you're no good
That's all right with me

Gimme one shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free
Come on baby, poison me

Gotta hunger for fatal attraction
I'm savin' all my passion for you
I gotta heartbreak habit that I can't kick
Only you can ease the pain
I'm a midnight animal tryin' to score
Before I go insane

Gimme me one shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free
One shot of poison
A little taste of paradise
One drop of your sweet poison
Satisfies
Give me one last kiss before I die

I'm flyin' high
On your love, tonight, baby

One shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free
One shot of poison
A little taste of paradise
One drop of your sweet poison
Satisfies

One shot of poison
Cme on, baby, poison me
One drop of your sweet poison
Sets me free
One shot
