It's so hard to feel my baby
When I'm traveling around and your far behind me
God, I wish I could see my lady
Girl, I hope that you're mine, cause

I'm snowblind
I can't see a thing
Snowblind
I don't wanna think
Snowblind
Yeah, I thought you could stay
Snowblind
Come off this stage
Lookin' out my window, sometimes I wonder
Am I ever gonna get to where I wanna go
Maybe tomorrow, maybe next summer
Girl, I just don't know, cause

Move it around, I can't see double
I feel it, don't know when I'm out of my mind
Babe, I don't wanna burst your bubble
Girl, you know the reason why, cause
