"Sunny Weather"

Well... I've got a hundred thousand watts
Surrounded by speakers but I'm hollow as hell
On a thousand dollar stereo
I've got a hundred sad songs
About the day that you walked out
It's just a bad situation
And I'm feelin' so down
I wish that I can say that ...

I don't care about the
Sunny weather
Don't care about nothin'
Don't care about the sex when we're together
If you don't care

Why don't ya!
Well... I got a lot of good drugs
So I threw them in the trash
I got a hundred better reasons
And now my dogs are high as hell
But I don't know how to use 'em
And i'll never back down
Why you ought to stick around
It's just a another situation
I can't control it now.
Sunny weather

I don't care about the
Don't care about the sex when we're together
Don't care about nothin'
If you don't care

I'd give it all away for you
For just another day with you
What am I gonna do
I don't care about nothin' (nothin' nothin')

I don't care about nothin'
I don't care about nothin' (nothin' nothin')
If you don't care

Well I don't care about the

Don't care about the sex when we're together
Sunny weather
Don't care about nothin'
If your not there

Well I don't care about the
Sunny weather
Don't care and I wish I never met her
Don't care about nothin'
If you don't care
