You're the song that's stuck in my head
I try to think of something else
It keeps coming back again
Says she wants to end it
I'll just keep pretending

And there you go
Turning up again

Its times like this i need a friend
Ill take a hit and hold u in
Cant live, cant breathe, im underneath
Its times like this i need
You here with me, with me

There's a stranger here in my bed
I try to think of something else
All i see is you instead
Says she wants to hang out

I'm just trying to break out

And there you go
Turning up again

Its times like this i need a friend
Ill take a hit and hold u in
Cant live, cant breathe, im underneath
Its times like this i need
You here with me, with me

And here i go
Turning up again

Its times like this i need a friend
Ill take a hint and hold u in
Cant live, cant breathe, im underneath
Its times like this i want you here
Its times like this i need you here with me, with me
