[computerized voice]

Work it out  
You got to work it, come on  
Work it out  
Shake your body till you break it  
You got to work it out (4x)

[female voice]

Work out  
Everybody work out  
Think it's a party, work out  
Everybody work out  
Think it's a party, work

Work

Jump on this beat  
Pump it up, rock with Sweet Tee  
It's time to jam, so get out of your seat  
Come on, get on up, get down to the sounds  
Droppin pound by pound  
Shakin and breakin and movin and groovin it all around  
That's what it's all about, there's no doubt  
Let's work it out, turn it out, burn it out  
Now  
Move it

[female voice]

Work out  
Everybody work out  
Think it's party work out

This is a jam man  
Not a grandstand  
I wanna see some butts shakin, backs breakin  
Feet skippin and hips dippin  
I demand you to dance  
There's no wallflower-power  
This hour, work out now, or

W-w-work

Work it out

(Ooh, that's the move?  
That's the move  
A-ha  
You gotta ride it, baby  
It's gettin hotter  
It's gettin hotter  
It's gettin hotter  
It's gettin hot)

It's a party damn it (work)  
Put your body in it (work)  
Let the lyrics move you (work)  
And our music groove you (work)  
People come alive (work)  
Shift into overdrive (work)  
It's a dancin record (w-w-w)  
Do what's expected (work)

(See how you start gettin...  
Look at you, look at you)

Sweet Tee's in effect, what the heck  
I want cash, not a check  
If I'm correct you can bet  
You ain't heard nothin yet  
Work it out hard, cause it's hot, so just sweat it  
Yo, I ain't takin no shorts, so forget it  
Hear the music drop  
Let your body rock non-stop  
Pump it up, let's go if it feels good ya don't stop  
Now that you know  
Then let's party, let's go  
And work it out, yeah  
You gotta-gotta-gotta-gotta

Work out  
Everybody work out  
Think it's a party, work out

Now I think you got it (work)  
Jettin like a rocket (work)  
Wasn't hard, now was it? (work)  
Everybody does it (work)  
>From New York with respect (work)  
Work out's in full effect (work)  
My mission is complete (work)  
Gave you a dope beat (work)

[computerized voice]  
Work it out, you got to work it  
Shake your body till you break it  
(Work)  
Work it out, you got to work it  
Shake your body till you break it  
You got to work it out  
Work it out  
You got to work it out  
Work it out  
You got to work it out  
(Everybody  
Think it's a party)  
Just work it out  
Just work it out  
(Everybody work out)
