We only take what we need

In black and white

The city bleeds
Love cuts you down to the bone

And walks these streets

With the eyes of a hunter
Bad blood flows from

The father to the son
How red the river runs, yeah
Love was the law

For sinners and saints

Dead man's hand holds

Aces & Eights
We're bound by wire, blood and fate

Hanging on to nothing

Aces & Eights
We let each other bleed
And watch our bones

Fall in the dust

You can hear the children howl
It's all they see
In the hour of the wolf
Bad blood flows from
The father to the son

How red the river runs, yeah
Love was the law
For sinners and saints

The dead man's hand holds

Aces & Eights
We're bound by wire, blood and fate

Hanging on to nothing
Love was the law

Sinners and saints

Dead man's hand holds

Aces & Eights
We're bound by wire, blood and fate

Hanging on to nothing

Hey, Aces & Eights
Daytime
Nighttime

Standing in line

At the border

I wanna lay down the law

I wanna tell 'em how it should be
Bad blood flows from
The father to the son

How red the river runs, yeah

Love was the law
Love was the law

For sinners and saints
The dead man's hand holds

Aces & Eights
We're bound by wire, blood and fate
Hanging on to nothing
Love was the law
For sinners and saints
The dead man's hand holds

Aces & Eights
We're bound by wire, blood and fate

Hanging on to nothing
Aces & Eights
Hey, Aces & Eights

Hey, Aces & Eights

Uw, yeah, Aces & Eights

Aces & Eights
