You're always runnin' for your life  
But you can't escape, you fall deeper in hell  
The devil's laughing at you  
Your soul to take, and never tell

Wish you could see my love  
Why don't you open your mind  
But, I know it's hard for you  
You're always dancin' on the edge

Dancin' on the edge

I see you standin' in the shadows  
You smell of sex  
Do you want more?  
Cold and lonely in the dark  
Lost on the avenue, what's it all for?

Can't you see I'm true  
Why don't you open your mind  
But I know it's hard for you  
You're always dancin' on the edge

Dancin' on the edge

Hangin' on by death

Run for your life

You're dancin', dancin' on the edge

Dancin' on the edge

Dancin' on the edge

You're always runnin' for your life  
But you can't escape, you fall deeper in Hell  
The Devil's laughing at you  
Your soul to take, and never tell

Wish you could see my love  
Why don't you open your mind

But, I know it's hard for you  
You're always dancin' on the edge

Dancin' on the edge

Hangin' on by death

Run for your life  
You're dancin', dancin' on the edge

Dancin' on the edge
