Bad luck and trouble
Crashin' through my veins
And I ain't bound for glory
There's a devil in my brain

Got a fistful of whiskey
A suitcase full of sin
An' there's a thousand nasty habits
Underneath my skin, yeah

We can fly on wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shame

Goin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound train

I'm a speed demon, baby
Movin' way too fast
You put a dagger through my soul
But you'll never kick my ass, oh no

We can fly on the wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shame

Goin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound train
Goin' down tonight, I'm Hellbound

Well, I ain't good for nothin'
Nothin's what I crave
I'm your angel of darkness
And I'll see you in hell one day

We can fly on the wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shame

Goin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound train
Goin' down tonight, I'm Hellbound
On a Hellbound train
