Crank It

He's got a heart of stone
Don't look him in the eye
He'll tuck you in
And then he'll whisper goodbye
He knows you'll come back beggin' for more

A ball of fire, a thunderbolt
Across the town, well, he could love 'em all
He's just a lady killer

I've been tryin' for so long to stay with you
If all hell breaks loose
I could never forget all the memories
I can't run away from you

Lady killer
Lady killer

He'll break your heart
And he'll break your dreams
A man o' war, he'll bring you to your knees
He knows you'll come back beggin' for more

He wants it all and he wants it now

He stands in my way, he says, "Lay down"
He's just a lady killer

I've been tryin' for so long to stay with you
If all hell breaks loose
I could never forget all the memories
I can't run away from you

Lady killer
Lady killer

Ohhhh, put it in baby

Lady killer
Lady killer

Lady killer
Lady killer

Lady killer
Lady killer
