Man's got his woman
To take his seed

She got the need
He got the power

She spends her life through

Pleasin' up a man

She feeds his dinner on

Anything she can

She cries alone at night too often
He smokes and drinks and don't come home at all

Only women bleed

Only women bleed

Only women bleed

Man makes your hair grey

He's your life's mistake

All you're really looking for
Is an even break

He lies right at you

Ya know ya hate this game
Slaps you once in a while

And you live and love in pain

She cries alone at night too often

He smokes and drinks and don't come home at all

Only women bleed

Only women bleed

Only women bleed

Only women bleed

Only women bleed

Only women bleed

Man's got his woman

To take his seed

He got the power

She got the need

She spends her life through

Pleasin' up a man

She feeds his dinner on

Anything she can

She cries alone at night too often

He smokes and drinks and don't come home at all

Only women bleed

Only women bleed

Only women bleed

Black eyes all of the time

Don't spend a dime, clean up this grime

And you there, down on your knees

Beggin' me please, come watch me bleed

Only women bleed

Only women bleed

Only women bleed

Only women bleed

Only women bleed

Only women bleed
