I've had a door slammed in my face,
Told me a girl needs to know her place,
I never listened, I proved 'em all wrong,
I rocked their asses from here to Hong Kong,

I am relentless,
Like a freight train coming through the driving range,
(Relentless),
Like a fighter in the ring I don't feel pain,
(I am relentless),
All you try to do is drive me insane,
You're never gonna keep me down, I am relentless.

You tried to break me and take my crown,
Run my name, into the ground,
Life's what you make it, and no one's to blame,
And all the madness is the price of fame,
You tried to stop me but I'm comin' anyway.

I am relentless,
Like a freight train coming through the driving range,
(Relentless),
Like a fighter in the ring I don't feel pain,
(I am relentless),
All you try to do is drive me insane,
You're never gonna keep me down, I am relentless.

-Solo-

Never got the cover of guitar magazines,
And I played guitar like no chick they'd ever seen,
Got platinum records hangin' on my wall,
The bigger they are you know the harder they fall,
I'm not invited but I'm comin' anyway!

I am relentless,
Like a freight train coming through the driving range,
(Relentless),
Like a fighter in the ring I don't feel pain,
(I am relentless),
All you try to do is drive me insane,

Oh yeah, yeah yeah, hey!
I am relentless,
Like a freight train coming through the driving range,
(Relentless),
Like a fighter in the ring I don't feel pain,
(I am relentless),
All you try to do is drive me insane,
And you're never gonna keep me down, yeah, I am
relentless.
