Got a love for destruction
Got a feel for danger now
Hey Mr. Moonlight won't you follow me down
I need some company
Every guy tells me you're no good
That's all right with me

Give me one shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free
Come on baby, poison me

Got a hunger for a fatal attraction
I'm savin' all my passion for you
I got a heart break habit that I can't kick
Only you can ease the pain
I'm a midnight animal trying to score
Before I go insane

Give me one shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free

One shot of poison
A little taste of paradise
One drop of your sweet poison
Satisfies
Give me one last kiss
Before I die

I'm flying high
Oh, I want your love tonight

Baby, one shot of poison
A little twist is all I need
One drop of your sweet poison
Sets me free

One shot of poison
A little taste of paradise

One drop of your sweet poison
Satisfies

One shot of poison
Come on baby, poison me
One drop of your sweet poison
Sets me free

One shot of poison
