[Intro]

-yeah, can you feel me? uh,
Can you feel the beat? yeah,
Then listen...

[Vers 1]

-this morning when I woke up
I went to the kitchen-room and took my cup
And filled it with fresh-water from my water tap
But suddenly my thoughts attacked
-I'm standing here drinking how much water I want
While there's millions people outthere who don't got a
fuck
Suffering from all kinds of diseases, I turn into a bad
mood
Everytime I see people dump their food
-because all these food could have gone to a poor child
Who have never ever tasted hamburger and french
fries
And all the water that goes to waste
Make me start to feel some kind of hate
-cuz these kids are suffering like rotten flowers
While you standing in the shower for about an hour
Listen up you who lives in a developed country
Stop consuming how the fuck you want only because
you got money

[Reff 2x]

-what a unfair world
What a unfair world
Can't hold my tears back for these kids

[Vers 2]

-sometimes I nag about that I'm having a hard time
But everytime I say that, thoughts come to my mind
I compare myself to these kids that I feel so sad for
I'm laying in a bed, while they don't even got a floor
-that's why I'm trying to be as happy as I can
Cuz I actually do have a good life compared do them
But everytime I see rich persons who spend like fucks
Makes me feel so sad, what the fuck is up with you?
-people casts their pearls before swine

Instead of thinking 'bout the shit I bring with my rhymes
I ain't gonna mention any names
But I hope that you will reflect instead of abusing your
fame
-one thing I got to mention is that I'm not that perfect
like my thoughts
I try to do the best I can, but it can always be better
though
But it's hard when not many seems to care about this
That's why I made this beat and the lyrics for these kids

[Reff 2x]

[Talk]

The lately christmas and birthdays that have passed in
my life,
I didn't want any presents, I didn't,
Cuz I was thinking of these kids who never got any
presents at all,
I thought, why should I receive presents when they
don't,
I already have all essential stuffs I need,
The only thing I really need, is love,
And I think love is that got to give and show to these
kids,
So they can get hopes in their lifes...
