I went to Lolla with my mom
And my mom met everyone
And I talked to Henry Rollins
And he talked to my mom
And my mom says, "He's no fun"
Henry Rollins is no fun

I said that he's a prick, but a big cranky kid
And all he talked about was politics
Buff from lifting cars and he don't like girls no more

'Cause Henry Rollins is no fun
Henry Rollins is no fun
Henry Rollins is no fun, just ask my mom
Henry Rollins is no fun
Henry Rollins is no fun
Henry Rollins is no fun, just ask my mom

I said that he's a prick, but a big cranky kid
And all he talked about was politics
Buff from lifting cars and he don't like girls no more

'Cause Henry Rollins is no fun
Henry Rollins is no fun
Henry Rollins is no fun, just ask my mom
Henry Rollins is no fun
Henry Rollins is no fun
Henry Rollins is no fun, just ask my mom

Well, I went to Lolla with my mom
And my mom met everyone
