YEAH!

I should have played football in Highschool, then i
could be like you.

I drive a Surroco and i think i was cool.

Everytime i drive by, all the girls go "ooooo"

I should have played football in highschool, cause then
i could be like you!

Grade 12 UGO running shoes; you dress like all the
jocks.

Then you grew your hair long and your wearing freakin'
stocks.

Go to demenstrations and you started planting trees,
Then you get into your car, and you peel when the light
turns green.

I don't care what tomorrow brings, i don't care about
anything,

I don't care, just look into my eyes.

I don't care what tomorrow brings, i don't care about
anything,

I don't care, just look into my eyes, it's YOU I DESPISE!

I SHOULD HAVE PLAYED FOOTBALL IN HIGHSCHOOL

AHH [x8]

I SHOULD HAVE PLAYED FOOTBALL IN HIGHSCHOOL

OWEO!
