well i wanna hump you that's the only thing i wanna say
i wanna hump you every night and every day
so don't get mad at me 'cause thats the only thing i
wanna do
'cos listen up baby, this song's for you

lets rock!
i wanna hump you
i wanna hump you
i wanna hump you
i wanna hump you

you worked at orange julius but it's also at dairy queen
you're the one with the dark hair and the eyes colored
aquamarine
you smiled at me when i ate my peanut buster parfait
well a girl like you, is more than just a lay

here's why
i wanna hump you

i wanna hump you
i wanna hump you
i wanna hump you now
i wanna hump you now
i wanna hump you now
i wanna hump you now

i wanna hump you
i wanna hump you
i wanna hump you
i wanna hump you now

watching you walk by is the most erotic thing i've ever
seen
since i went to the [french maid?] and saw the ping
pong ball shooting queen
i got an autographed picture and a pubic hair on a ball
i wanna hump you the best chick in the mall

i wanna hump you
i wanna hump you

i wanna hump you
i wanna hump you now
