well i met a girl but she doesn't work here and she was
the one i could keep the last thing i saw was a sticker -
no fear- through the smoke from the tires of her jeep
i'm lucky that the turnover's high cause things are
never boring cause everyone is humping everyone- at
my restaurant everyone here wants me to date the
waitress who just moved here from vermont and now
that i did... everyone who works here is doin' someone
from the restaurant now everyone i'm talkin' about
knows everything i do or say cause everyone is
humping everyone at my restauraunt saturday! and
she's gotta work only place we can meet is the walk-in-
fridge she gets off late - and now i wanna be there
drinkin' after hours well i met a girl but she doesnt work
here she was the one i could keep the last that i saw
was a sticker -no fear- throught the smoke from the
tires of her jeep now everyone i'm talkin' about knows
everything i do or say cause everyone is humping
everyone at my restaurant [x4]
