To wind up sleeping in an empty room
A bottle wine, the smell of cheap perfume
Just makes me think of our yesterdays
It's hard enough seeing with another man
But I've done all the crying that grown man can
And outside they say that it's rain again
I'm no-ones fool and I've got my pride

I ain't gonna cry baby
Not even gonna think it over
Don't think I'm gonna crawl that's just a waste of my
Time
I ain't gonna cry baby
I'm just another victim of you
And your hurting kind

Do you share your bed with him like you did with me
Sure is a shame but it's no tragedy
I'm not the first and he won't be the last
So I'm packing up my heart in my suitcase
Gonna hitch me a ride to a new warm place
And start again a much wiser man
I'm no-ones fool and I've got my pride

I ain't gonna cry baby
Not even gonna think it over
Don't think I'm gonna crawl that's just a waste of my
Time
I ain't gonna cry baby
I'm just another victim of you
And your hurting kind
I'm no-ones fool and I've got my pride
My pride
My pride
I ain't gonna cry baby
Not even gonna think it over
Don't think I'm gonna crawl that's just a waste of my
Time
I ain't gonna cry baby
I'm just another victim of you
I ain't gonna cry baby

I'm just another victim of you
I ain't gonna cry baby
I'm just another victim of you
