To wind up sleeping in an empty room  
A bottle wine, the smell of cheap perfume  
Just makes me think of our yesterdays  
It's hard enough seeing with another man  
But I've done all the crying that grown man can  
And outside they say that it's rain again  
I'm no-ones fool and I've got my pride

I ain't gonna cry baby  
Not even gonna think it over  
Don't think I'm gonna crawl that's just a waste of my  
Time  
I ain't gonna cry baby  
I'm just another victim of you  
And your hurting kind

Do you share your bed with him like you did with me  
Sure is a shame but it's no tragedy  
I'm not the first and he won't be the last  
So I'm packing up my heart in my suitcase  
Gonna hitch me a ride to a new warm place  
And start again a much wiser man  
I'm no-ones fool and I've got my pride

I ain't gonna cry baby  
Not even gonna think it over  
Don't think I'm gonna crawl that's just a waste of my  
Time  
I ain't gonna cry baby  
I'm just another victim of you  
And your hurting kind  
I'm no-ones fool and I've got my pride  
My pride  
My pride  
I ain't gonna cry baby  
Not even gonna think it over  
Don't think I'm gonna crawl that's just a waste of my  
Time  
I ain't gonna cry baby  
I'm just another victim of you  
I ain't gonna cry baby

I'm just another victim of you  
I ain't gonna cry baby  
I'm just another victim of you
