Well, I'm alright, alright  
I'm alright, yes, I'm alright  
Since my baby told me she love me  
I'm alright, I'm alright

Since she told me, she put no one above me  
I'm alright now, I'm alright  
I'm alright, I'm alright  
I'm alright, yes, I'm alright

Since my baby held me in her arms  
I'm alright, I'm alright  
Since she let me to taste her many charms  
I'm alright, I'm alright  
I'm alright, yes, I'm alright  
I'm alright, let me tell you I'm alright now

She told me that she love me  
She told me that she cared  
And when she told me that  
It made me feel like a millionaire  
'Cos I'm alright, I'm alright  
I'm alright, I'm alright

She made me feel so happy  
Oh, she made me feel so glad  
Never will I be blue again, never will I be sad  
'Cos I'm alright, I'm alright  
I'm alright, I'm alright

Yes, in her arms feels so good  
Yes, I'm in her arms, taste her many charms  
Yes, I'm full of joy  
Oh, I feel like a baby boy

Let me hear [Incomprehensible] tell me alright now  
Yeah, I'm alright, let me tell you I'm alright  
Let me tell you I'm alright, let me tell you I'm alright  
Let me tell you, let me tell you I'm alright  
Alright now, alright, alright, alright
