Take me back, I'm beggin' please  
Take me back, I'm on my knees  
For you to scold me, hurt me, hold me  
Darling, take me back

When you belonged to me  
I had a jealous mind  
Too late I learned that you  
Were not the cheating kind

Take me back, I'm beggin' please  
Take me back, I'm on my knees  
For you to scold me, hurt me, hold me  
Darling, take me back

My jealous eyes have learned  
To take a look or two  
They were too blind to see  
That I was losing you

Take me back, I'm beggin' please  
Take me back, I'm on my knees  
For you to scold me, hurt me, hold me  
Darling, take me back

They say, you live and learn  
And though I've tried before  
I promise never to  
Be jealous any more

Take me back, I'm beggin' please  
Take me back, I'm on my knees  
For you to scold me, hurt me, hold me  
Darling, take me back
