I have walked through this life
Like a bird on a wire
Holding on to my song
Afraid to fly
Afraid to, to fall in love

I wanna dive into the wild blue
I wanna ride the wind
Straight to you, straight to you
I wanna trust these wings to a love that's true
I wanna dive, oh
I wanna dive to you

Standing close to the edge
Soul to soul, not looking down
Stepping off, reaching out
Lifting up, heaven bound
I fall in love

I wanna dive into the wild blue
I wanna ride the wind
Straight to you, straight to you
I wanna trust these wings to a love that's true
I wanna dive, oh
I wanna dive to you

Ooh, free falling into your kiss
Through the open gate of happiness

I wanna dive into the wild blue
I wanna ride the wind
Straight to you, straight to you
I wanna trust these wings to a love that's true
I wanna dive, oh
I wanna dive to you

Hey, I wanna dive to you
Straight to you, straight to you
Dive... dive
I wanna dive
