Well I think I'm going out of my head  
Yes I think I'm going out of my head  
Over you, over you

I want you to want me  
I need you so badly  
I can't think of anything but you

And I think I'm going out of my head  
'Cause I can't explain the tears that I shed  
Over you, over you

I see you each morning  
But you just walk past me  
You don't even know that I exist

Goin' out of my head over you  
Out of my head over you  
Out of my head day and night  
Night and day and night, wrong or right

I must think of a way into your heart  
There's no reason why my being shy  
Should keep us apart

And I think I'm going out of my head  
Yes I think I'm going out of my head

Yes I think I'm going out of my head  
Yes I think I'm going out of my head
