Every time you walk out the door  
I'm so afraid I won't see you no more  
'Cause I need you so; it doesn't show  
I'm so afraid to let you go

CHORUS:

You've got to help me find a way to say I love you  
Help me find a way to say I love you  
To say I love you, love you

It's very hard for me to explain  
The loss of words just fills me with pain  
Why must it be so hard for me  
To let you know that I love you so?

(Chorus)

Why must it be so hard for me  
To let you know that I love you so?

You've got to help me find a way to say I love you  
Help me find a way to say I love you  
Why don't you help me find a way to say I love you  
Oh help me find a way to say I love you  
Oh baby help me find a way to say I love you
