When you see me once
Will you see me again?
After tonight
Lets be more than just friends

Oh I'm falling in love with you
Oh I'm falling in love with you

If you kiss me now
Will you kiss me again?
After tonight
Lets try to make it begin

Oh I'm falling in love with you
Oh I'm falling in love with you

I've never been in love before
And I've just got to know the story
If you know how I feel
Then say you will
And lets love, love, love
And lets love, love, love

Oh I'm falling in love with you
Hey baby, I'm falling in love with you
