[Chorus:]

Lookin' for to make some sense out of nothin'
Lookin' for the hunger to hang on
Lookin' for to know if you're really worth it
Lookin' for a reason not to be gone

Your signs are fadin', baby
I can't read 'em anymore
Can't you see where I'm standin', baby
I got one foot out the door
You better show me somethin' fast
'Cause my patience for you ain't gonna last

[Chorus]

If ther ain't nothin' there
Well, that's my time your wastin'
If you say you're givin' all you've got
Well, that's my chain your yankin'
Love is on a slippery slope
Barely hangin' on at the end of my rope

[Chorus]

So tell me what you're gonna do keep me around
And baby, whatever it is you better do it now, now, now

[Chorus]
