Don't call it the truth
if you know it's not
hey news right around the next
the last thing you got
while right around twisting the knife
yeah
you might wreck break your wrists
to draw in the South
yeah hey hey
is it's too much to risk

(moving)
I got something that you know don't so soul
(moving)
you are here I call come going and I don't want to go
x3
(moving)
I got something that you know don't so soul
(moving on up)

don't open your eyes
hey
if you will not see yeah you
you ain't getting back to me
I have come at this factory
