Go ahead don't go  
Don't leave my open arms all warm  
And go see i don't know if your here for me  
Well look the afternoon is the only place where you and  
i belong  
Your mine forever and a day

Your beautiful your beautiful to me.  
Your beautiful your beautiful to me.

Defently this cannot be all that you  
Have to offer love  
When your on your own  
Well look i fell inlove  
Coz this world is way to big now

Your beautiful your beautiful to me.  
Your beautiful your beautiful to me.

And it's a love love love that is here with me

Well look the afternoon is the only place where you and  
i belong  
Your mine forever and a day

Your beautiful your beautiful to me.  
Your beautiful your beautiful to me.  
Your beautiful your beautiful to me.  
Your beautiful your beautiful to me.
